ATTACHMENT B (CONTINUED)

III. General comments concerning the MIS:

We have occasionally used MIS runs to compute certain statistics for special management briefings. We have not used it or found it useful for short- or long-term planning because there are too many other factors to consider and we wonder about the real validity of the data entering the system (even though we try to police the time sheets!)

IV. Please indicate the following:

Component (group, division, branch, or staff) - IEQ/MSD/PB

Component code (as recorded on time sheets) - E61
